Moe South Street Primary

News from our Principal

Term 2 often brings a change in the weather, with jumpers, beanies, gloves, and pants more visible and needed across the school, particularly in the cold and frosty mornings.

This provides an opportune time to reinforce and remind you of the importance of our Student Dress Code and our newly established Uniform Exchange, which is now fully operational.

The Uniform Exchange program provides clean uniform items to students who arrive at school without the correct uniform. We understand that there will be challenges from time to time with ensuring your child has the correct uniform items daily, and in these instances, we are here to help.

If your child forgets, doesn't have an item, or it is getting washed, no worries—we'll provide a uniform for the day. Students simply remove their incorrect uniform item and exchange it for the correct uniform item. At the end of the day, students return to the Uniform Exchange and swap it back. We just want to make sure all students are part of the team and develop their pride in representing South Street Primary School.

Over the last six months, we have implemented many supports to ensure all students are in the correct uniform, and I'm pleased to announce that, along with our Uniform Exchange, these will continue until the end of the year. This includes discounted uniform items, with shirts available for only \$8 and jumpers for only \$20.

We are committed to continuing to set high expectations across South Street, including emphasizing the need for all students to be in the correct uniform.

Take Care,
Brendan Dawson, Principal

Lost Property

We are having more and more students coming up to the Office upset because they have lost "treasured items".

Please consider if it is appropriate for your child/ren to bring these treasured possessions to school.

We thank you for your co-operation.

If I'm too precious to live without,
leave me at home.

Before & After School Care

In 2 Learn South Street - Outside School Hours Care

In 2 Learn South Street (I2L) provide a safe and secure environment for the care of school-aged children (5 - 12 years) through a structured and well-balanced program.

I2L is excited to be part of the South Street Community. We offer Before School Care and After School Care sessions.

We are passionate about creating entertaining and educational programs for our children. We create and deliver clever, customised collaborative services via a fun structured engaging program.

Our program will challenge all to reach to higher aspirations and partner closely with the school community.

Our communication and programs engage, collaborate and align with national guidelines to deliver a well-resourced and inclusive program reinforcing or extending the school curriculum.

In 2 Learn provides quality care for school aged children.

OSHC Philosophy

At In 2 Learn we believe that children should be exposed to unique opportunities to progress in their physical and emotional wellbeing. Our aim is to create a warm, inviting atmosphere where children feel welcome and safe, a place where children can relax, have fun with their friends, make new friends and be empowered to shape and control their world; a place where they belong, a place that belongs to them. All children are treated with gentleness, honesty and respect: all staff model this and encourage children to treat others in this manner.

OSHC Enrolment

All children using OSHC must be enrolled with the service prior to attending. An enrolment form must be completed by each family for each child and updated.
